Current Vintages

2022 CARNEROS CHARDONNAY

Our 2022 Carneros Chardonnay is the latest vintage of our most popular wine, known for its complexity and versatility with food. 100% Chardonnay sourced from Sangiacomo Vineyard's Kiser, Home and Green Acre Blocks. Barrel fermented and aged for 10 months in American oak. The wine is left on the lees right up until bottling. Layers of tropical fruits, pear and apple wrap around refreshing acidity and fresh lemon supported by rich notes of vanillin leading into a powerful, yet elegant finish.

Composition: 100% Chardonnay, Malolactic Fermentation: 100%, Alcohol: 14.5%, pH: 3.45
SRP: \$42.00 bottle Production: 15,200 cases

2020 STA. RITA HILLS PINOT NOIR

Sourced from the La Viña Vineyard in Sta. Rita Hills near Santa Barbara, this is a rich and elegant Pinot Noir that serves as a wonderful complement to our Chardonnay. The coastal influence of this region highlights the fruit's natural acidity and provides for a sophisticated presentation from start to finish. This wine shows notes of brambly fruits, cherry cola, and spice. These integrated flavors are backed by toasty oak providing exceptional depth, length, and texture.

Composition: 100% Pinot Noir, Malolactic Fermentation: 100%, Alcohol: 14.5%, pH: 3.60
SRP: \$50.00 bottle Production: 480 cases

2022 PRESCRIPTION CHARDONNAY

Sourced from grower James Reamer in Clarksburg, California, a respected industry peer of our winemaker Rob Lloyd, this wine is produced in stainless steel and fermented with oak. This Chardonnay has lively aromatics of high-toned citrus and lemon peel (zingy acidity), tropical fruits with fresh cream leading into a refreshing and mouthwatering palate. Flavors of guava, papaya, Key lime, and crème brûlée flow throughout a long, smooth, mineral laced finish. If you have one bottle for a surf and turf meal, this wine is beautiful with seafood and easily matches up to a steak.

Composition: 100% Chardonnay, Malolactic Fermentation: 95%, Alcohol: 14.8%, pH: 3.35
SRP: \$20.00 bottle Production: 10,000 cases

2021 PRESCRIPTION CABERNET SAUVIGNON

100% Cabernet Sauvignon sourced from the eastern side of the Alexander Valley in the Mayacamas Mountains from a vineyard that Rob has been working with for over a decade. This terroir allows Cabernet Sauvignon to achieve a higher quality of tannin, intense blackberry fruit and overall complexity. Barrel aged for 16 months in new and used French and American oak. Rich, bright fruit with notes of blackberry, cherry, and black currant with a touch of ripe, green olive oil that may remind some of a classic Bordeaux, making it another great food wine in our portfolio.

Composition: 100% Cabernet Sauvignon, Malolactic Fermentation: 100%, Alcohol: 14.8%, pH: 3.80
SRP: \$30.00 bottle Production: 1,000 cases
