## Current Vintages

### 2020 CARNEROS CHARDONNAY

Lloyd Cellars 2020 Carneros Chardonnay is the latest vintage of our most popular wine, known for its complexity and versatility with food. 100% Chardonnay sourced predominately from Sangiacomo Vineyards, Kiser, Home and Green Acre Blocks with a small amount of 'Hens and Chicks' fruit from the Truchard Vineyard. Barrel fermented and aged for 10 months in American oak. The wine is left on the lees right up until bottling. Layers of tropical fruits, pear and apple wrap around refreshing acidity and fresh lemon supported by rich notes of vanillin leading into a powerful, yet elegant finish.

Composition: 100% Chardonnay, Malolactic Fermentation: 100%, Alcohol: 14.5%, pH: 3.45

SRP: \$40.00 bottle Production: 15,200 cases

### 2019 STA. RITA HILLS PINOT NOIR

Sourced from the Sta. Rita Hills near Santa Barbara, this is a rich and elegant Pinot Noir that serves as a wonderful complement to our Chardonnay. The coastal influence of this region highlights the fruit's natural acidity and provides for a sophisticated presentation from start to finish. Harvested at a lower brix level than previous vintages, this Pinot Noir still retains notes of brambly fruits, cherry cola, and spice. However, there is a more elegant finish to our 2019 than in previous vintages. These integrated flavors are backed by toasty oak providing exceptional depth, length, and texture.

Composition: 100% Pinot Noir, Malolactic Fermentation: 100%, Alcohol: 14.5%, pH: 3.60

SRP: \$50.00 bottle Production: 1,200 cases

### 2019 PRESCRIPTION CHARDONNAY

100% Chardonnay grapes sourced from a respected industry peer of our winemaker, James Reamer in Clarksburg, California. Produced in stainless steel and fermented with oak. Single appellation; single grower. This Chardonnay has lively aromatics of high-toned citrus and lemon peel (zingy acidity), tropical fruits and fresh cream lead into a refreshing and mouthwatering palate. Flavors of guava, papaya, Key lime, and crème brûlée flow throughout a long, smooth, mineral laced finish. If you have one bottle for a surf and turf meal, this wine is beautiful with seafood and can easily match up to a steak.

Composition: 100% Chardonnay, Malolactic Fermentation: 95%, Alcohol: 14.8%, pH: 3.45

SRP: \$20.00 bottle Production: 9,000 cases

### 2019 PRESCRIPTION CABERNET SAUVIGNON

100% Cabernet Sauvignon sourced from the eastern side of the Alexander Valley in the Mayacamas Mountains from a vineyard that Rob has been working with for over a decade. This terroir allows Cabernet Sauvignon to achieve a higher quality of tannin, intense blackberry fruit and overall complexity. Barrel aged for 16 months in new and used French and American oak. Bottle aged until release. Rich, bright fruit with notes of blackberry, cherry, and black currant with a touch of ripe, green olive oil that may remind some of a classic Bordeaux, making it another great food wine in our portfolio. The soft tannins provide a smooth mouthfeel and texturally pleasing wine.

Composition: 100% Cabernet Sauvignon, Malolactic Fermentation: 100%, Alcohol: 14.8%, pH: 3.80

SRP: \$30.00 bottle Production: 450 cases
