Current Vintages

2021 CARNEROS CHARDONNAY

Lloyd Cellars 2021 Carneros Chardonnay is the latest vintage of our most popular wine, known for its complexity and versatility with food. 100% Chardonnay sourced predominately from Sangiacomo Vineyards, Kiser, Home and Green Acre Blocks with a small amount of 'Hens and Chicks' fruit from the Truchard Vineyard. Barrel fermented and aged for 10 months in American oak. The wine is left on the lees right up until bottling. Layers of tropical fruits, pear and apple wrap around refreshing acidity and fresh lemon supported by rich notes of vanillin leading into a powerful, yet elegant finish.

Composition: 100% Chardonnay, Malolactic Fermentation: 100%, Alcohol: 14.5%, pH: 3.45

SRP: \$42.00 bottle Production: 15,200 cases

2019 STA. RITA HILLS PINOT NOIR

Sourced from the Sta. Rita Hills near Santa Barbara, this is a rich and elegant Pinot Noir that serves as a wonderful complement to our Chardonnay. The coastal influence of this region highlights the fruit's natural acidity and provides for a sophisticated presentation from start to finish. Harvested at a lower brix level than previous vintages, this Pinot Noir still retains notes of brambly fruits, cherry cola, and spice. However, there is a more elegant finish to our 2019 than in previous vintages. These integrated flavors are backed by toasty oak providing exceptional depth, length, and texture.

Composition: 100% Pinot Noir, Malolactic Fermentation: 100%, Alcohol: 14.5%, pH: 3.60

SRP: \$50.00 bottle Production: 1,200 cases
