

2022 PINOT NOIR

STA. RITA HILLS

Our 2022 Pinot Noir begins with carefully selected grapes from the Sta. Rita Hills near Santa Barbara, embodying the rich, bold flavors of California. The coastal influence of this region enhances the fruit's natural acidity, resulting in a big, rich Pinot Noir with a sophisticated finish.

WINEMAKING

Crafted from 100% Pinot Noir grapes sourced from La Viña Vineyard in Sta. Rita Hills. This wine undergoes submerged cap fermentation in 100% stainless steel, followed by 10 months of barrel aging in French oak and 12 months of bottle aging before release.

SENSORY

Powerful notes of dark berries, cola, and spice are complemented by toasty oak, offering exceptional depth, length, and texture.
